TWOK v133	125*	133	
TWOK v166	125*	166	
TWOK v200	125*	200	

\* How can attachments be universal for various diameters of DN 70, 100 and 125 roof outlets?

Roof outlets, terrace outlets, attachments, refurbishment outlets and extended outlets (apart from DN 150 and XL) have a neck or an integrated outlet flange of the same construction and diameter. The outlet construction only differs under the neck. The reason is universality of all the accessories..
